

# From Struggles to Success: Aishwarya's CA Journey

"Jalna Education Foundation turned my dream of becoming a CA from an impossibility to a reality. Their support has been the backbone of my success."

**Aishwaraya Agrawal**

**JEF Scholar 2014-2024**

**CA Final**

With the foundation's support, she passed the CA Foundation exam on her first attempt and continued to receive scholarships for her Intermediate Professional Competence Course (IPCC). She is now preparing for her CA Finals while completing an articleship at SNA & Company in Pune, earning Rs. 10,000 per month.

Aishwarya Agrawal's journey is one of perseverance and determination. After losing her father, she and her mother moved into her grandmother's house, relying on her mother's income as a cook. Despite financial hardships, Aishwarya held onto her dream of becoming a Chartered Accountant (CA).

Her association with Jalna Education Foundation began in her primary school years, where she benefited from their free coaching classes. After completing her 12th standard, she applied for a scholarship to pursue her CA studies.

**Inspired by JEF's support, she hopes to help other students achieve their dreams, just as she achieved hers.**
