Support a Scholar Policy for 2021-22

There are four steps in the Support a Scholar scheme.

- First scholars apply for the program through the website (by downloading the form from www.jefjalna.com/downloads.php and submitting by email) or by submitting a paper form in the JEF office.
- A household survey of all select eligible candidates will be conducted.
- Next two lists of candidates will be declared – a list of scholars who will receive the scholarship for the entire duration of their program and a second list of scholars whose profiles will be uploaded on the website for matching with potential donors

Academic Excellence Criteria:

1. Scholars studying in these professional courses: MBBS, BE/BTech, BPharm, B.Sc Nursing and Chartered Accountant (CA) are eligible for the scholarship. Scholars studying in 11th 55Science or Commerce and Polytechnic are also eligible for the scholarship.
2. Only those new, first-time students who are beginning their 1st year in the academic year 2021-22 are eligible. Applicants already in their 2nd year of study (or above) are not eligible.
3. The applicants should have passed their Class XII qualifying examination (Higher Secondary/Pre-university/Intermediate/CBSE/ISC or equivalent board) in 2020 or 2021. However, students who have passed their qualifying examination in 2021 will be preferred over those who have taken a break for preparation and better performance in their common entrance tests.
4. The support-a-scholar merit list of students will be prepared on the basis of their open/general merit rank (and not category rank) at the state or national level entrance tests as stated below.
5. Scholars should have completed their 10th or 12th examination from Jalna district.

Income Criteria:

1. The gross family income must be less than 2.5 lakh per annum. Gross income refers to the income before deduction of taxes.
2. Where the parents/Guardian of applicants is an employee, a salary/pay slip from the employer is mandatory. The salary/ pay slip should clearly show the family member's gross monthly salary with full details of his/her basic salary and all allowances and deductions. The employer and the facilitator should certify the salary/ pay slip. Submission of an income certificate from a local or other government authority in lieu of a salary/pay slip is not acceptable.
3. Where parents/Guardian are retirees/pensioners, a pension statement from the pension authority and/or from an authorized bank showing the gross monthly pension of the family member, inclusive of any supplementary allowances before any deduction is required.

4. Where parents/guardians are business or self-employed /income certificate issued by any government authority or income tax return should be submitted in support of the gross family income specified in the application. Specific details of the nature and size of the business or self-employment should also be provided.
5. Where parents/guardians are agriculturists or have farming or cultivation income, an income certificate from a recognized or competent authority should be submitted. Details of the nature and size of the land holding, crops grown, etc. wet and dry land irrigation should also be provided.
6. There is no requirement for submission of an income declaration or affidavit on stamp paper.
